Veterans, Emergency Services,
and Police Industry Institute Australia

ABOUT THE INSTITUTE

VESPIIA is Australia's first full-service professional-body for the organisations and professionals supporting our Veterans, Emergency Services, Police and their families, continuing the cycle of service. We work to arm them with the resources, training, support and representation they need to do their best possible work.

VESPIIA was proudly founded in Boorloo, on Wadjuk Noongar land, and we pay our respects to the Traditional Owners of this land, recognising their enduring connection to country, culture, and community. Our mission is to serve and support all members across Defence, fire, ambulance, and police services. We are committed to fostering a culture of inclusivity, respect, and equity, ensuring that every individual, regardless of their background or identity, has access to the support, recognition, and opportunities they deserve.

VISION

VESPIIA aims to be a leader in supporting the organisations, staff and volunteers delivering support and programs to our Veterans, Emergency Services, Police and their families. We work to arm them with the resources, training, support and representation they need to their best possible work.

MISSION

The mission of The Veterans, Emergency Services & Police Industry Institute of Australia (VESPIIA) is to support our membership through high-quality events, training, advocacy and representation to the public and government, provide opportunities for connection, inclusion for staff and volunteers.

WHAT WE DO

TRAINING AND DEVELOPMENT

Equipping professionals and organisations with the skills, knowledge, and tools needed to enhance their impact and support service communities effectively.

NETWORKING AND COMMUNITY

Fostering meaningful connections and collaboration among professionals, organisations, and stakeholders within the veteran, emergency services, and police sectors.

RESOURCES

Providing accessible, high-quality research, templates, and tools to inform evidence-based practices and support impactful program delivery.

RECOGNITION

Celebrating excellence and acknowledging the outstanding contributions of individuals, organisations, and programs within the service community.

ADVOCACY AND REPRESENTATION

WHY WE DO IT

The organisations and professionals who deliver programs and services to veterans, first responders, and their families are the backbone of support for those who serve our nation.

These individuals and groups work tirelessly to address complex challenges, often with limited resources, while striving to create meaningful change in their communities.

At VESPIIA, we believe that by empowering these organisations and professionals with resources, recognition, and advocacy, we can amplify their impact.

Supporting those who support others ensures that veterans, first responders, and their families receive the highest quality programs and services, creating a ripple effect of positive change throughout the community.

FUTURE FRONTLINES MOMENTUM MATTERS

INTRODUCING THE VESPIIA CONFERENCE

The VESPIIA Conference is a flagship event bringing together leaders, professionals, and organisations from the veterans, emergency services, and police sectors to connect, collaborate, and drive meaningful change. This conference provides a unique platform for attendees to engage in dynamic discussions, share best practices, and explore innovative solutions to the challenges facing service communities today.

With a carefully curated program featuring keynote speakers, panel discussions, workshops, and networking opportunities, the VESPIIA Conference fosters knowledge exchange and inspires action across the sector. Attendees include program managers, service providers, policymakers, and thought leaders, offering sponsors unparalleled access to a diverse and engaged audience.

As a sponsor, your support will not only enhance the conference experience but also position your brand as a leader in promoting excellence, innovation, and collaboration within this vital sector. The VESPIIA Conference is more than an event—it's a movement to strengthen the foundations of support for those who serve.

PROJECTS

THE LANDING ZONE

'The Landing Zone' will be a vibrant co-working and creative space designed to meet the unique needs of those supporting the Veterans, Emergency Services, and Police community, as well as members of the community themselves.

Featuring versatile multiuse creative spaces and essential amenities like a mailroom, writing space, and podcast studio, it will offer users the flexibility to engage in new and innovative projects without the commitment of maintaining a dedicated space—perfect for one-off or irregular needs.

This inclusive and collaborative environment will foster creativity, innovation, and productivity, providing optimal conditions for individuals and organisations to produce their best work.

'The Landing Zone' will act as a catalyst for connection and success, enhancing the ability of its users to thrive and contribute meaningfully within a shared workspace tailored to their needs.

Research & Resource Library

The VESPIIA Research and Resource Library will be a cornerstone of support for organisations and professionals delivering services to defence members, veterans, emergency services personnel, police, and their families. By providing access to evidence-based research, reports, templates, and practical tools, the library will empower members to implement programs and strategies grounded in the latest data and best practices.

Designed to eliminate barriers to information, the library will promote high-quality, informed support that addresses the unique challenges faced by service members and their families. With flagship publications like the "Industry Bible" and "Families Bible," it will deliver targeted insights and guidance to strengthen resilience, mental health, and community well-being.

Through this initiative, VESPIIA will foster continuous learning, professional development, and innovation, building a stronger, more resilient support network for those who serve.

Cadre of Padres

The VESPIIA Cadre of Padres is a national initiative dedicated to strengthening the support available to chaplains and faith leaders working with defence, emergency services, and first response personnel. These individuals play a critical role in providing spiritual and emotional care to those who serve our communities. We aim to bridge this gap by establishing a structured network that fosters collaboration, shared learning, and professional growth. Through a combination of training opportunities, resource-sharing, and peer engagement, the initiative will enhance the capacity of chaplains and faith leaders to address the unique challenges faced by service personnel and their families.

Bringing together chaplains from different service sectors and regions, the Cadre of Padres will create a cohesive and effective support system, ensuring that those providing care are also cared for. Strengthening this network will allow for a more coordinated approach to pastoral care, improving the quality and consistency of support available across defence, emergency services, and first response organisations.

We believe that VESPIIA has the potential to make a significant impact in the lives of veterans, emergency service personnel, and police workers in across Australia, and the organisations and staff who support them.

However, we cannot do this alone.

We are seeking supporters who share our vision and are committed to supporting this vital work. Your support will enable us to build our capacity, expand our services, and make a meaningful difference in the lives of those we serve.

Our partners can expect to contribute not only the development of Australia's first professional-body for Veterans, Emergency Services and Police support organisations, but to be at the forefront of development for the sector overall. Creating a better future for the organisations, staff and volunteers who work tirelessly to support our service personnel and their families.

We would be honoured to discuss this opportunity with you further and explore ways in which you can support VESPIIA.
